2. PURPOSE OF INDUCTION PROGRAM

Transition from school to college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

In Every academic year , the department of computer science organizes the induction program to the new enrolled students. It is observed that these students will get benefited from this event in many aspects such as getting knowledge about department, facilities and staff members.

This year, the event was scheduled on 10th of AUG. 2026 at 11.30 am in ICT Hall No 27 of Science wing of college.

The Chief Guest was . **Sachin M. Narangale**, Associate professor, School of Media Science, S.R.T.M.U. Nanded and more than 150 students have actively participated in this event.
