Report of Students Exit Program

M.Sc. Computer Science – Pass Out Batch 2025–2026

Introduction

The Department of Computer Science & Information Technology, Yeshwant Mahavidyalaya, Nanded, organized the **Students Exit Program** for the outgoing students of **M.Sc. Computer Science, Batch 2025–2026** on **9th April 2026** under the valuable guidance of our esteemed **Principal, Dr. Ganeshchandra N. Shinde**.

The program was organized with the objective of bidding farewell to the final-year students, appreciating their academic journey, and guiding them for future academic and career opportunities.

Welcome and Guidance by Head of Department

The program began in a warm and pleasant atmosphere with the presence of faculty members and students. **Dr. S. G. Jadhav, Head of the Department of Computer Science & IT**, welcomed the outgoing students and shared his valuable thoughts for their future. He encouraged the students to remain confident, disciplined, and dedicated in their professional as well as personal lives. He also motivated them to continue learning and striving for excellence in their chosen careers.

Career Guidance and Higher Education Opportunities

Dr. P. B. Tamsekar, Asst. Prof. Dept. of CS &IT, guided the students regarding various career opportunities available after completing M.Sc. Computer Science. He explained the scope of employment in areas such as software development, data science, machine learning, cybersecurity, networking, artificial intelligence, teaching, research, and opportunities in both government and private sectors. He also encouraged students to

pursue professional certifications, competitive examinations, research work, and skill-based training programs to enhance their career prospects and professional growth.

Dr. P. B. Pathak, Asst. Prof. Dept. of CS & IT, appreciated the students for successfully completing their internships and emphasized the importance of practical exposure in building a successful career. He encouraged them to make effective use of their internship experiences, projects, and technical skills for future professional success.

Students' Feedback and Sharing of Memories

The outgoing students of M.Sc. Computer Science actively participated in the session by sharing their valuable feedback, experiences, and memorable moments from their academic journey. They recalled their learning experiences, classroom interactions, practical sessions, project work, internships, and the support received from faculty members throughout their studies. The students expressed their gratitude towards the department and the institution for providing quality education and a positive learning environment.

Vote of Thanks

The program concluded with the **Vote of Thanks delivered by Mr. G. B. Chounste**.Asst. Prof. Dept. of CS & IT,He expressed sincere gratitude to the Principal, Head of the Department, faculty members, external examiners, and students for their presence and contribution in making the Students Exit Program successful and memorable.

Presence of Faculty Members

All faculty members of the Department were present during the program, including Dr. P. B. Pathak, Dr. S. M. Shinde, Mr. G. B. Chounste, Ms. Ankita Bhosle, Mr. S. S. Mahindrakar, Ms. A. S. Khan, and Ms. N. S. Agrawal. Lab Attendants Mr. Manik Kalyankar and Mr. Rajendra Basigamlu were also present during the program.

Conclusion

The Students Exit Program was conducted successfully and served as a meaningful platform to celebrate the achievements of the outgoing batch, strengthen the bond between students and faculty, and inspire students for their future academic and professional endeavors.

The program reflected the department's commitment towards student development, mentorship, and continuous academic support beyond classroom learning.
