1. PREFACE

It gives me immense pleasure to present the report of the Induction Program organized for the First-Year Undergraduate Computer Science students of the academic year 2025–26 by the Department of Computer Science & IT.

The event was successfully conducted on 25th July 2025 at 11:00 AM in the ICT Hall, located in the Science Wing of the college. The program witnessed enthusiastic participation from students and faculty members alike.

Our respected Principal, Dr. Ganeshchandra Shinde Sir, has always been a constant source of inspiration and support, encouraging the organization of such meaningful activities for the holistic development of students. The dedicated efforts and active cooperation of all departmental staff members played a vital role in the smooth execution of this event. The students also responded with great enthusiasm by actively participating and sharing their valuable insights.

On behalf of the Department of Computer Science & IT, I extend my heartfelt gratitude to our respected Principal, Dr. Ganeshchandra Shinde Sir, for his invaluable guidance and unwavering support. I am equally thankful to the Vice Principal, Dr. Kavita Sonkamble Madam, for gracing the occasion with her presence and presiding over the function.

I would also like to express my sincere thanks to the distinguished Chief Guests, Dr. M. M. Bokare, I/C Director, I.T.M. Nanded, and Prof. Vishwadhar Deshmukh from the Department of Marathi, for sparing their valuable time and sharing their knowledge and experiences with our students.

I also extend my appreciation to all the staff members of the department for their continuous support and contribution in organizing this event successfully. A special note of thanks to all the students who actively participated and made this induction program a truly engaging and memorable experience.

Shrikant G. Jadhav
Head & Assistant Professor,
Department of CS & IT

2. PURPOSE OF INDUCTION PROGRAM

Transition from school to college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

In Every academic year , the department of computer science organizes the induction program to the new enrolled students. It is observed that these students will get benefited from this event in many aspects such as getting knowledge about department, facilities and staff members.

This year, the Induction Programme was organized on 25th July 2025 at 11:00 AM am in ICT Hall of Science wing of college. Dr. M. M. Bokare, I/C Director, I.T.M. Nanded, and Prof. Vishwadhar Deshmukh from the Department of Marathi, was the Chief Guest of the program and more than 100 students have actively participated in this event.

3. DETAILS OF EVENT

The event was scheduled on 25th July 2025 at 11:00 AM in the ICT Hall of the Science Wing of the college. Dr. M. M. Bokare, I/C Director, I.T.M. Nanded, and Prof. Vishwadhar Deshmukh from the Department of Marathi graced the occasion as the Chief Guests. The program was presided over by the Vice Principal, Dr. Kavita Sonkamble Madam. On this occasion, Dr. S. G. Jadhav, Head of the Department of Computer Science & IT, along with Dr. P. B. Tamsekar and Dr. P. B. Pathak, Assistant Professors, were also present on the dais.

The program commenced with a warm and gracious welcome. Dr. Kavita Sonkamble Madam extended a grand welcome and felicitated the Chief Guest, Dr. M. M. Bokare, while Prof. Vishwadhar Deshmukh felicitated Dr. P. B. Pathak. The event was skillfully anchored by Dr. P. B. Tamsekar, a faculty member of the Department of Computer Science.

The induction program began with the formal welcome of the dignitaries, setting a positive and enthusiastic tone for the session.

Induction Program : Welcome of Chief Guests

At the outset, Dr. Shrikant G. Jadhav, Head of the Department of Computer Science & IT, presented a comprehensive overview of the department, highlighting its infrastructure, facilities, and academic environment available to students. He provided detailed information about the department, faculty members, and the various courses offered. He also introduced the NPTEL Local Chapter and motivated students to enhance their knowledge and skills by enrolling in NPTEL courses. Furthermore, he briefed the students about the various academic and co-curricular activities organized by the department, such as YMIT Fest, poster presentations, quiz competitions, and other engaging events that contribute to the overall development of students.

Induction Program : Chief Guest. Dr. M.M Bokare Guiding students.

Induction Program : Chief Guest. Dr. Vishwadhkar Deshmukh Interacting with students.

Induction Program : President of Function Vice Principal Dr. Kavita Sonkamble madam delivering presidential address.

The Chief Guest of the event, Dr. M. M. Bokare, delivered an insightful and highly interactive address. In his speech, he elaborated on the wide range of career opportunities available in the field of Computer Science after graduation. He guided students on how to plan their academic journey and make informed career choices. He also highlighted the latest trends and emerging domains in Computer Science and Information Technology, such as Artificial Intelligence, Data Science, and Cyber Security, encouraging students to stay updated and develop relevant skills to meet industry demands.

The other Chief Guest, Dr. Vishwadhar Deshmukh, addressed the students with an inspiring talk focusing on the importance of interpersonal and communication skills. He emphasized that along with technical knowledge, the development of soft skills plays a crucial role in achieving success in both personal and professional life. He motivated students to build confidence, improve communication, and actively participate in various co-curricular activities.

The President of the function, Dr. Kavita Sonkamble Madam, extended a warm welcome to the newly admitted students and made them feel comfortable and encouraged. In her address, she highlighted the glorious track record and achievements of the college in academics, cultural activities, and overall student development. She inspired students to uphold and enhance this legacy through dedication, discipline, and sincere academic efforts, thereby contributing to the continued success and reputation of the institution.

Induction Program : Students sharing her views

The participated students has also actively responded to the event by sharing their views and expectations from college and department. The students also express views on NEP 2020. Students also shared objectives behind enrolling for course in this college and assured for regularity and disciplinary presence on the college campus.

Induction Program : Students sharing her views

The programme was anchored by Dr. P.B. Tamskar, apart from anchoring , he also present a power point presentation of the department. The event was concluded with a vote of thanks which was proposed by. Mr. G.B. Chounste, Assistant professor of the department.

Induction Program : Participated Students

4. Concluding Remarks

The Induction Program for Undergraduate students concluded on a highly positive and encouraging note. The sessions proved to be informative, inspiring, and engaging, helping students gain a clear understanding of the academic environment, available opportunities, and expectations of the department and institution.

The valuable guidance shared by the dignitaries, along with the active participation of students, made the program a meaningful and enriching experience. It not only helped students feel welcomed and comfortable but also motivated them to begin their academic journey with confidence, enthusiasm, and a sense of purpose.

Overall, the induction program successfully achieved its objective of familiarizing students with the college culture and inspiring them to strive for academic excellence and holistic development.
