1. Preface:

Apart from the academic education, department provides the platform to the students to explore and enhance their interpersonal skills. YMIT FEST is a Key activity runs in the department which provide the opportunity to students to develop research mind-set in computer science & IT, and to provide spotlight on students knowledge and presentation skills

Even During COVID pandemic department has successfully organized YMIT FEST-20 & YMIT FEST-21 in Online mode under the valuable guidance of Respected Principal Dr. Ganeshchandra N. Shinde sir. After release of constraints by the government due to the downfall of COVID, the Respected Principal sir has given permission to schedule the event is in Offline mode.

Country is celebrating “Azadi Ka Amrit Mahotsav” 75 years of independence. In this context the theme for YMIT FEST 2022 was “Contribution Of Digital Technology In The Development Of India”.

The students has given excellent response and almost 68 students participant has registered for the events in paper and poster presentation. The participants are not only from department of Computer science but also from department of mathematics, electronics, physics, biotechnology etc. Through the presentation in paper and poster, students has explored Contribution Of Digital Technology In The Development Of India in various aspects like in finances, agriculture, education, transportation etc. Students had also made presentation on various topics in the field of computer science & information technology.

In next academic year is diamond jubilee celebration year of our College. In this context Respected Principal Dr. Ganeshchandra N. Shinde sir has suggested to conduct YMIT 2023 at university level. Here On the half of department of computer science I assure that YMIT 2023 will mega event at university level.

2. About YMIT FEST:

YMIT FEST is a regular academic activity of the department of computer Science & IT since 2008. The YMIT FEST event includes various activities like Paper Presentation, Poster Presentation, Quiz, Programming competitions and Expert talk etc. It provides the platform to the students to explore and enhance their interpersonal skills

The first YMIT FEST event was organized during academic year 2008-09. Since then it became a regular technical event of the department. Even During COVID pandemic department has organized YMIT FEST-20 & YMIT FEST-21 in Online mode under the valuable guidance of Respected Principal **Dr. Ganeshchandra N. Shinde** sir.

In this academic year i.e 2021-22 the event was scheduled in Offline mode by following all COVID protocols. The event scheduled on 30 April 2022 in the seminar hall where inauguration and poster presentation events executed and department of computer science where paper presentations and valedictory function was organized .

3. The Themes of the Event:

One of the important task was to choose the topic/themes for the proposed event. Country is celebrating “Azadi Ka Amrit Mahotsav” 75 years of independence. In this context the theme for YMIT FEST 2022 was “Contribution Of Digital Technology In The Development Of India”.

We found that ,through the presentation in paper and poster , students has explored Contribution Of Digital Technology In The Development Of India in various aspects like in finances, agriculture, education, transportation etc. Students had also made presentation on various topics in the field of computer science & information technology

4. Schedule of Event:

YMIT FEST-2022- Event Outline....

Event Date: 30/04/2022

Sr. No		Time	Venue
01	Participated Students are allowed to enter in premises for Poster Presentation – Poster will mounted by participants	9.15. Am to 10.00 am	Reading Hall, Library Building , Yeshwant Mahavidyayla, Nanded.

YMIT FEST-2022

Contribution of Digital Technology in the Development of India
Paper & Poster Presentation Competition

Organized By
DEPARTMENT OF COMPUTER SCIENCE
Y.M. NANDED
APRIL-30, 2022

Shri Sharda Bhavan Education Society's (SSBES) Yeshwant Mahavidyalaya, Nanded (M.S.), cordially invites the UG and PG Students to participate in YMIT FEST 2022, the Offline Paper & Poster Presentation Competition organized by Department of Computer Science & Active forum of this college on 30 April 2022 at 10 Am.

About Society:

Shri Sharda Bhavan Educational Society was established as an educational trust to dispel darkness of illiteracy and to provide quality education to economically and industrially backward region of the state in 1952. A modest effort in this direction was initiated by some eminent personalities of this area. The Founder President Hon'ble Dr. Shankarraoji Chavan (Former Union Home Minister) established the first school in 1956 and then onwards there was no looking back for the society. The Society has kept its educational graph rising for the decades. The society always looked forward for upgrading the educational facilities. Today, Shri Sharda Bhavan Education Society is one of the reputed educational societies in the Marathwada region of Maharashtra. The society has given a significant contribution in research and educational development of Nanded district.

About College:

Shri Sharda Bhavan Education Society laid foundation of Yeshwant Mahavidyalaya, Nanded, in 1963 and ever since, it has been emerging as one of the premier institutions of higher learning in the region of Marathwada. Yeshwant Mahavidyalaya has a long-standing academic tradition of excellence in research and scholarship. Here in the Yeshwant campus students are groomed for curricular, co-curricular and extracurricular excellence

The college is identified as College with Potential for Excellence (CPE) by UGC New Delhi in the first phase 2004 and re-accredited with "A" grade with 3.29 CGPA (III Cycle) by NAAC Bengaluru. The college is proud to have received The Best Teacher Award by the State Government, Best College Award by SRTMUN, Best Principal Award, Best Teacher award and The Best NSS Officer Award. The college magazine Yashodharp has been awarded the 1st prize by SRTMU Nanded, Maharashtra State Level first prize, the parent university level first prize and the Nanded district level first prize for the gender equality programs executed on the campus under the Government of Maharashtra activity titled "Jagat Janivancha", Indira Gandhi Best NSS Program Officer Award, "One District One Green Champion" award from Ministry of Education, Government of India.

The institution has implemented UGC Paramarsh Scheme on its campus and has mentored six NAAC non-accredited institutions to complete their NAAC accreditation.

About Department of Computer Science & IT

The Department of Computer Science & Information Technology came in the existence in 1990. The department, since its inception, has maintained a steady growth in every sphere of its activities and played an important role in bringing a vibrant and forward looking academic environment within the College.

It is a Premier department offering high quality UG and PG courses and add on certificate courses as well as providing an excellent infrastructure and facilities for Research and Consultancy. The department serves the growing need of trained manpower with specialization in CS and IT.

The Department is giving continuously a good result with University Rankers at P.G. level. Not only ex-student of the Department are now working on good positions in various fields but also ex-staff members of the Department have got better positions elsewhere in India and abroad.

About YMIT FEST

Apart from the academic education, department provides the platform to the students to explore and enhance their interpersonal skills. YMIT FEST is a Key activity runs in the department which provide the opportunity to students to develop research mind-set in computer science & IT, and to provide spotlight on students knowledge and presentation skills.

The first YMIT FEST event was organized during academic year 2008-09. Since then it become a regular technical event of the department. Even During COVID pandemic department has organized YMIT FEST-20 & YMIT FEST-21 in Online mode under the valuable guidance of Respected Principal Dr. Ganeschandra N. Shinde sir.

In this academic year i.e 2021-22 the event is being scheduled in Offline mode by following all COVID protocols.

Theme of the Event:

Country is celebrating "Azadi Ka Amrit Mahotsav" 75 years of independence. In the context the theme for YMIT FEST 2022 is Contribution Of Digital Technology In The Development Of India.

Objective of Event:

- To motivate students to develop research mind-set in computer science & IT.
- To provide spotlight on students knowledge and presentation skills
- To encourage students to work with technology

YMIT FEST 2022: Group photo of Participated Students & winners of paper & poster presentation competitions

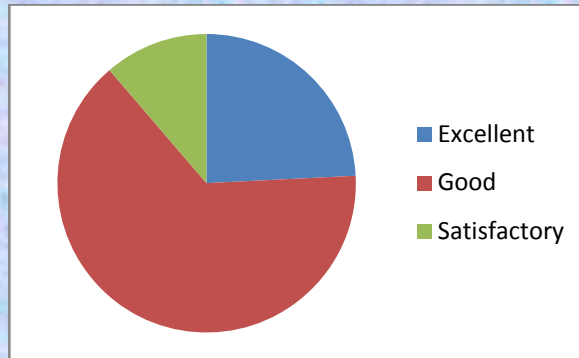

14. Feedback of participants.

After Covid pandemic, YMIT FEST 2022 was first offline competition event. It provided a platform to the students to explore themselves in the subject of his interest. We have received a positive feedback from participated students.

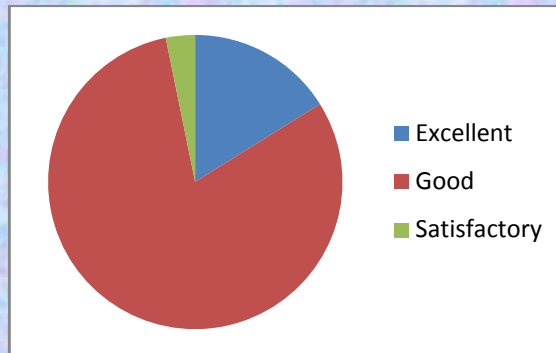

Most of students suggested to organize a two day event with some more competitions like programming quiz, model demonstration etc.

Students are also suggested to organize YMIT FEST at university level as inter college competition event. Here is the Feedback analysis of students response.

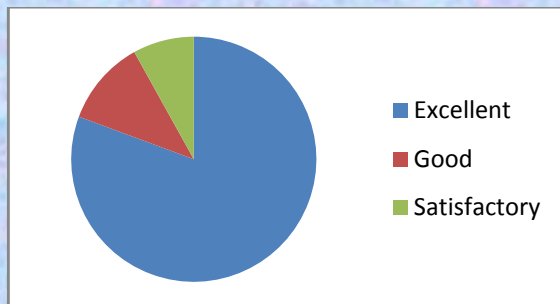

Q1. Contemporary relevance and novelty of the YMIT FEST 2022 Event in context with your academic curriculum (62 responses)

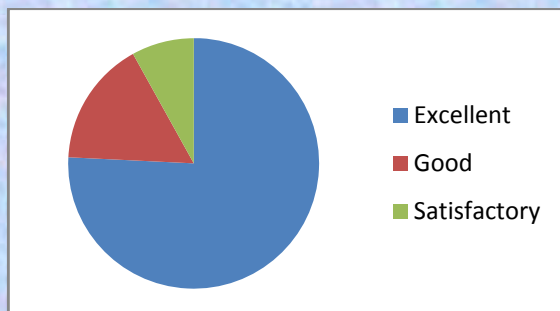

Q2. The Quality of Posters/Papers Presented in YMIT FEST 2022 Event (62 responses)

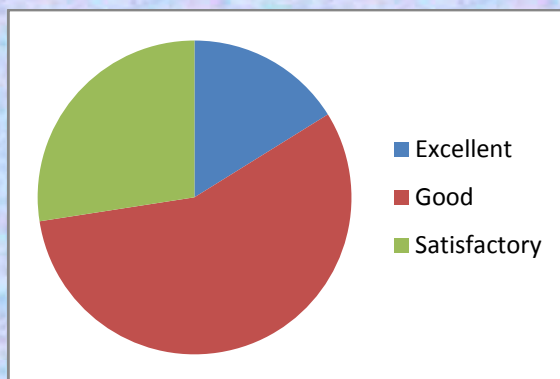

Q3. How was Your Interaction with examiners of Posters/ Papers presentation Competition. (62 responses)

Q4. How was the response of examiners and visitors and audience (62 responses)

Q5. How was the quality of Food Served (62 responses)

Most of participants expressed satisfaction about the programme and were benefitted.

- **Some suggestion given by participant includes like:-**
- More such events are welcome
- Conduct this event at university level as inter college competition
- It should be two days event
- For paper presentation group of 02 students should be allowed
- Expert talk should be arranged in this event
- Quiz competition should be included in this event

15. Event Income & Expenditure

Statement showing Income & Expenditure of YMIT FEST 2022 organized by Department of Computer science & IT
